## Holi Celebrations at school

Holi is a spring festival, also known as the festival of colors or the festival of triumph of Good over Evil. Another legend attached to the festival claims that in his youth, Krishna despaired whether fair skinned Radha and other Gopikas (girls) will like him because of his skin color. His mother, tired of the desperation, asks him to approach Radha and color her face in any color he wanted. Playful and mischievous Krishna appreciated the idea and implemented it. This game of applying colors thus gained so much popularity that it became a tradition and later it turned out to be a full-fledged festival. Holi celebrations start with a Holika bonfire on the night before Holi followed the next day by a carnival of colors and water filled balloons.

ISKCON Food Relief Foundation also celebrated the festival. IFRF Aurangabad center along with Indian Association of Pediatrics (IAP) and Lions Club of Aurangabad celebrated Holi with 50,000 school students. Students and teachers enjoyed the colors and sweets distributed on that day. Annamrita also took this opportunity to teach the kids about a safe and eco friendly Holi. Posters were displayed at schools which gave tips on how to enjoy a safe Holi. In 3 of the schools representatives from Lion's Club Aurangabad and doctors from IAP like Dr Dutta Kada - MD Pediatric and Senior Pediatrician of the city, Dr Mandar Deshpande - MD Pediatric, Dr R Kulkarni, Dr Santosh Madrewar spoke to children on the importance of proper handling of colors and correct hygiene practices to be followed.

## Women's Day celebration

International Women's Day (IWD), is celebrated the world over on March 8 every year. Over the years, this day has been a celebration of various achievements by women. Today it is basically a day where we appreciate the women in our lives.

Annamrita – ISKCON Food Relief Foundation is an equal opportunities organization. Our meals promote oneness and break down the barriers of gender, caste and creed. Annamrita also celebrated the important women who support this project with their hard work and dedication. A small program was held at Annamrita Aurangabad office. The program was chaired by Mrs Anita Pagare (Head of Cleaning Staff) and Mrs Kristopher, HR Head from Greaves Cotton Ltd. who was also Chief Guest for the event. A Group of around 40 female employees from Greaves Cotton Ltd. visited the Aurangabad kitchen facility. Mrs Kristopher appreciated the work being done by the facility and especially spoke about the importance women bring to the workplace. A sumptuous meal followed along with a lot of appreciation for the Annamrita staff.

### Wonder Year's Charity Fun Fair

As all our readers are aware by now, “Khichdi Drive” is one of Annamrita's programs where we go and serve khichdi at events or corporate cafeterias. This month we were invited by Wonder Years, Kindergarten School in Tardeo to participate in their Fun Fair by hosting a khichdi stall.

Their aim is to enhance confidence and creativity in children. I have been working for the last 27 years. For the better part of my career (14 years), I have been a Senior Manager with TI-Tube investment for India Ltd, Pennar Industries. For over 10 years I have been General Manager for Back To Godhead - a magazine of the Hare Krishna Movement by Bhaktivedanta Book Trust.

**What I like most about my work with Annamrita?**

The most interesting part of my work is that I get to help expand the project to new locations and set up new centers. More than

a job being a part of ISKCON Food Relief Foundation is more of rendering a service to humanity.

**What I dislike about my work?**

We are not able to expand as fast as we would like to. The delays by the government, delays in getting funds all slows down the process.

**Why Annamrita?**

Food is the first basic necessity, if it is fulfilled a child can grow in all dimensions which will benefit society at large. This is the vision Annamrita is connected to along with a high degree of nutritious, health conscious food to help the future generation of our country develop.
